Letter to Your Sponsor

You have prayerfully considered who you will ask to be your Confirmation Sponsor, and requested that they stand with you as you are Confirmed.

At Confirmation, your sponsor presents you to the Bishop, and stands with you as you are anointed, witnessing your commitment to Christ and to your faith. Throughout your life, your sponsor will be available to help and encourage you as you continue to grow in faith. This is a great responsibility, and so we ask you to acknowledge the commitment your sponsor is making to you.

Please write a personal letter of thanks to this very special person in your life. Include the reasons you have chosen this person to be your sponsor and all the things you admire about him/her.

Thank You cards will be provided. Please use only these cards. The cards will be collected by your teachers. They will be given to the sponsors on the day of Confirmation.
